Dear Mark:

On behalf of Sertoma Center, I want to thank the Big Orange Tipoff Club for supplying the tickets for our clients to be able to go to the UT vs Wyoming men's basketball game. Our clients really enjoyed the game and also enjoyed the popcorn and cokes too.

It was a fun evening for them and I really appreciate your making this possible. Several of our folks are big UT fans and really looked forward to the game. One fellow even has every bit of his room decorated in orange and white. It is really neat.

You are a great organization and I appreciate your support of Sertoma Center and the individuals that we serve.

Sincerely,

Becky Duncan Massey  
Executive Director
